The indictment contains sixty-five counts, each alleging infringement of the Federal law, and the company, if convicted, is subject to a maximum fine of \$1,300,000 or a minimum fine of \$55,000.

The rebates are said to have been granted by the Santa Pe Railroad while the sugar refinery was being erected at Gardon City in 1956 and 1956 on shipments of building material, the freight on which amounted to \$100,000.

It is alleged that the railroad had agreed to return \$35,000 of the \$100,000 agreed to return \$35,000 of the \$100,000.

It is an investigation.

He was attempting to cross westward on Forty-fifth street, when he drove directly in the path of the car. Despite the efforts of Motorman Timothy Mellody to stop, the car crashed into the horses, knocking them down and wrecking the front section of the coach.

Anty Drudge—"Never mind, dearie, don't cry. Get a cake of Fels-Naptha soap. It'll take every stain away with a little cold or lukewarm water."

It isn't the wearing, but the washing that sends light clothes to the rag-bag before their time. The way to stop that is to wash them with Fels-Naptha soap in cold or lukewarm water. No boiling to weaken their fabric; no hard-rubbing to wear and tear them. And Fels-Naptha won't harm the most delicate lawns or laces.

Say you have a lot of white shirtwaists and things to wash. Just wet them, soap with Fels-Naptha, roll and soak for a few minutes in cold or lukewarm water. Then rub lightly, rinse and hang on the line. Rasy, isn't it? And the clothes will be cleaner and whiter and sweeter than you can get them any other way.

Follow directions on the red and green wrapper for using Fels-Naptha.

Fels-Naptha does all kinds of housecleaning quicker and better than anything else.
